Days: \_\_\_\_\_ Hours: \_\_\_\_\_

Tuition: I hereby request enrollment for my child for the schedule described above. For first time students, attach a non-refundable application fee of \$50.00. Upon acceptance to the school a deposit of \$200.00 is required to hold your child's place in the school. This deposit will be applied as the materials fee. The materials fee is an annual charge of \$200 payable with the September tuition. One month prior to the start of school the first month's tuition is due. Tuition is due on the first day of each month and is considered late after the 5th. Unless prior arrangements are made, a late fee of \$25 will be assessed to delinquent accounts. There will be a \$15 processing fee for all returned checks. Additional childcare is available at the rate of \$8.50 per hour. We require 30 days written notice when a child withdraws from the program prior to the end of the school year or a full-month tuition will be charged plus \$100.00 early termination fee. Additionally, 30 days written notice is required whenever decreasing your child's schedule during the school year. Increases can be made at any time, subject to availability.
